

# RISC Debrief Meeting

## August 8, 2012

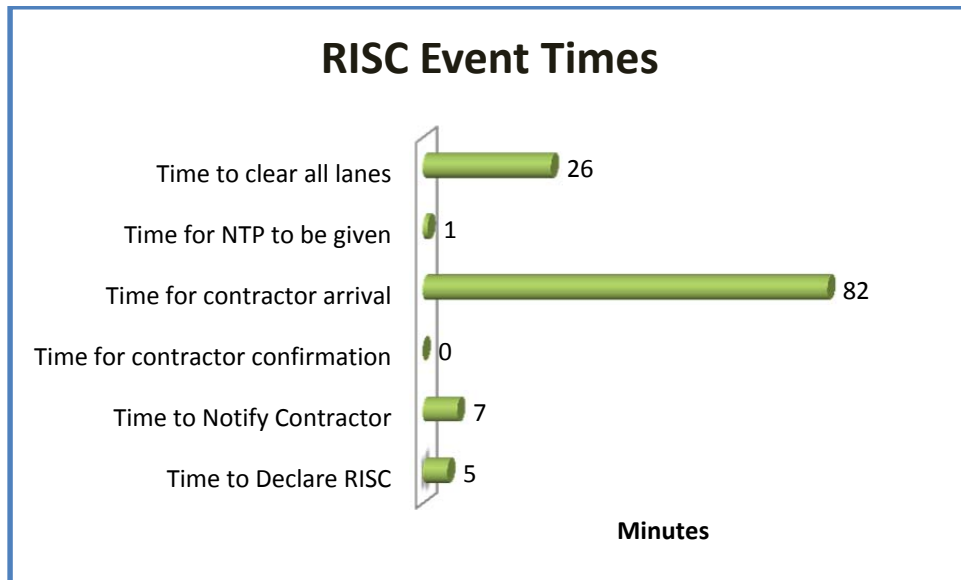

### Incident on July 31, 2012

**Purpose:** Review the RISC Incident to determine successes and areas of improvement for all responders and the TIM Team as a whole.

**Date/Time:** July 31 at approximately 5:51 AM

**Location:** I-75 SB at MM 397

**Preliminary report:** Accident with all lanes blocked

- |  |                      |
|--|----------------------|
| • Crash occurred                                       | 5:51 AM              |
| • All lanes blocked confirmed                          | 5:51 AM              |
| • RISC activated by FHP                                | 5:56 AM              |
| • RISC Contractor (University) notified                | 6:03 AM              |
| • RISC Contractor en route                             | 6:58 AM              |
| • RISC contractor arrived                              | 7:25 AM (82 minutes) |

| • All lanes open                                       | 9:00 AM              |

The list of meeting attendees, the Meeting Agenda and the RISC Incident timeline are attached to these meeting minutes.

- Donna welcomed all to the RISC debrief. She reviewed the incident timeline, as shown above.
- Donna asked for input from the various agencies who had responded.
- FHP
  - The accident involved both directions of traffic and multiple vehicles. FHP was nearby when the accident occurred. A trooper was assisting a Disabled Vehicle on the shoulder when the incident occurred.
- DEP
  - DEP was not aware of any issues.
- TMC
  - Donna stated although University Towing's arrival time was beyond Contract limits, due to extenuating circumstances, this would be waived.
- University Towing
  - The initial information was the accident was in the NB lanes; however the truck had gone through the guardrail and ended up on the SB lanes. Due to this information and having to go through all of the traffic, they arrived later than they should have. Other than these problems getting to the scene, University Towing had no issues.
- Alachua Sheriff's Office
  - ASO was not aware of any issues.
- FDOT Maintenance
  - FDOT Maintenance was not aware of any issues.
- Fire Department
  - The Fire Department was not present.
- The bonus will be paid due to all Contract time limits being met.
- The meeting was adjourned.
