- University Towing departs scene 2:44 PM

The list of meeting attendees, the Meeting Agenda and the RISC Incident timeline are attached to these meeting minutes.

- This meeting is to discuss the RISC event that occurred on January 24, 2013 on I-75 southbound at mile marker 406. The incident involved two semis and a Mercedes. It occurred at approximately 1:08pm.
- A brief overview of the event was presented to the team showing who responded to the incident and a general timeline.
- Agencies responding to the incident were asked to provide comments.
 - FHP
 - FHP initiated the RISC and had no comments on the incident.
 - Alachua County Sheriff's Office
 - The agency was not present.
 - TMC Report
 - Jesse Gilmour stated the only concern was not getting updates from University Towing personnel throughout the event. The TMC needs to know when the Towing Agency arrives, when the NTP is given, if they are told to stop by FHP, any follow-up NTP, and the time the lanes are cleared. This is the only way to verify that the Towing Agency has met their timelines in the RISC Contract and will be given the bonuses.
 - FDOT Maintenance
 - The representative present at the meeting stated that no issues were brought to his attention regarding this RISC event.
 - Fire Department
 - The agency that was involved was County and they were not present.
 - Wreckers
 - University Towing
 - The agency's representative stated he was not aware of any issues regarding the incident.
- Meeting Adjourned
